

GERI Level 4 Admin / Research Office Space Design Ideas

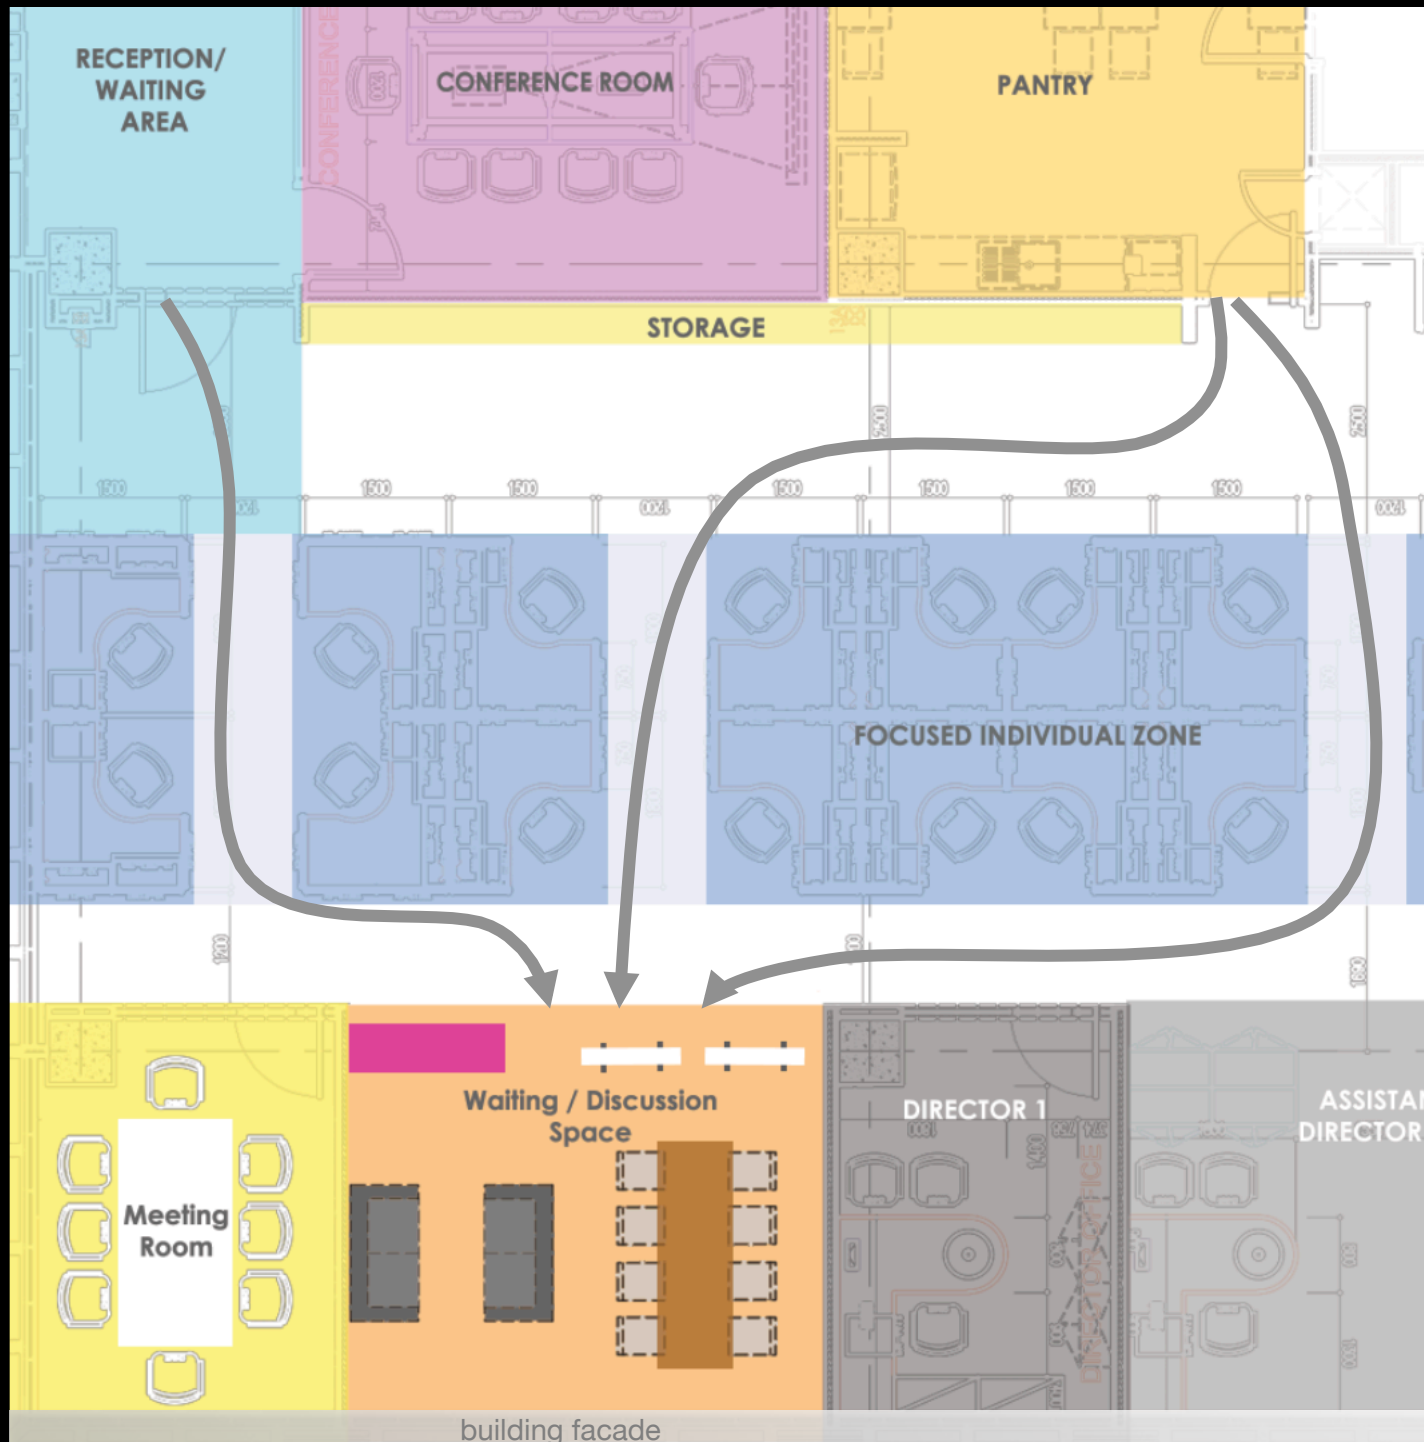

Layout in sections

Features

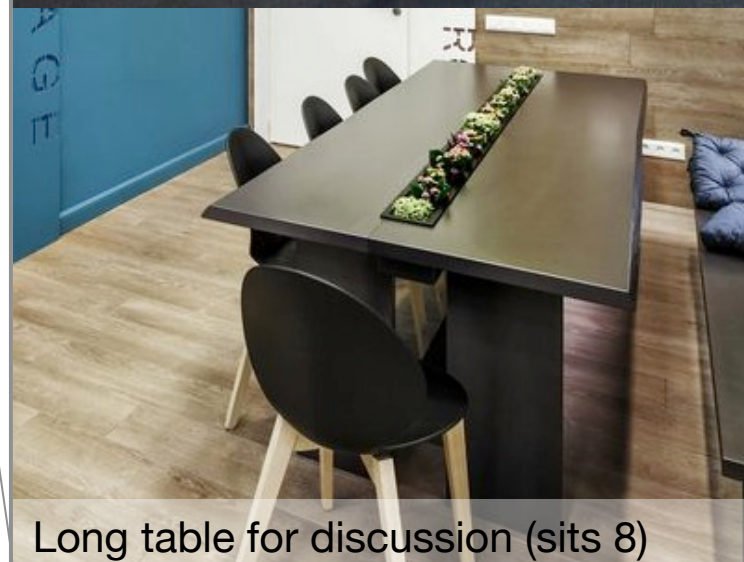

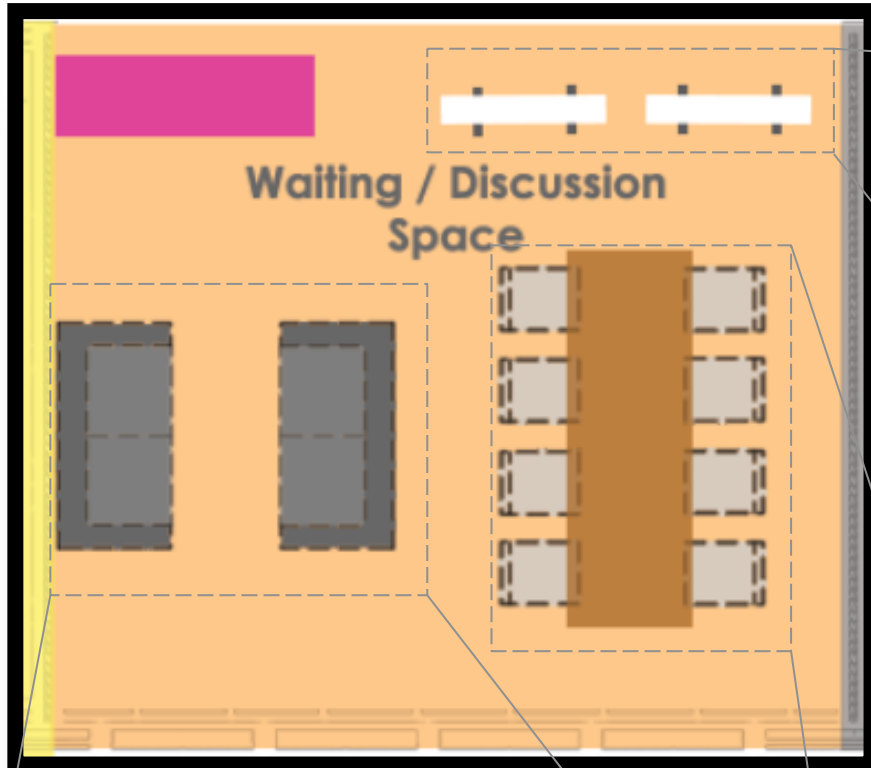

- The line of sight from the entrance of the office to the waiting/discussion room enables visitors to be directed further in to wait for their host to pick them up.
- The close proximity of the pantry allows staff an alternative place to network and hold minor events.
- This space allows staff to break out of their focused individual zone and hold a discussion.
- The building façade provides a relaxing and comfortable view for visitors.

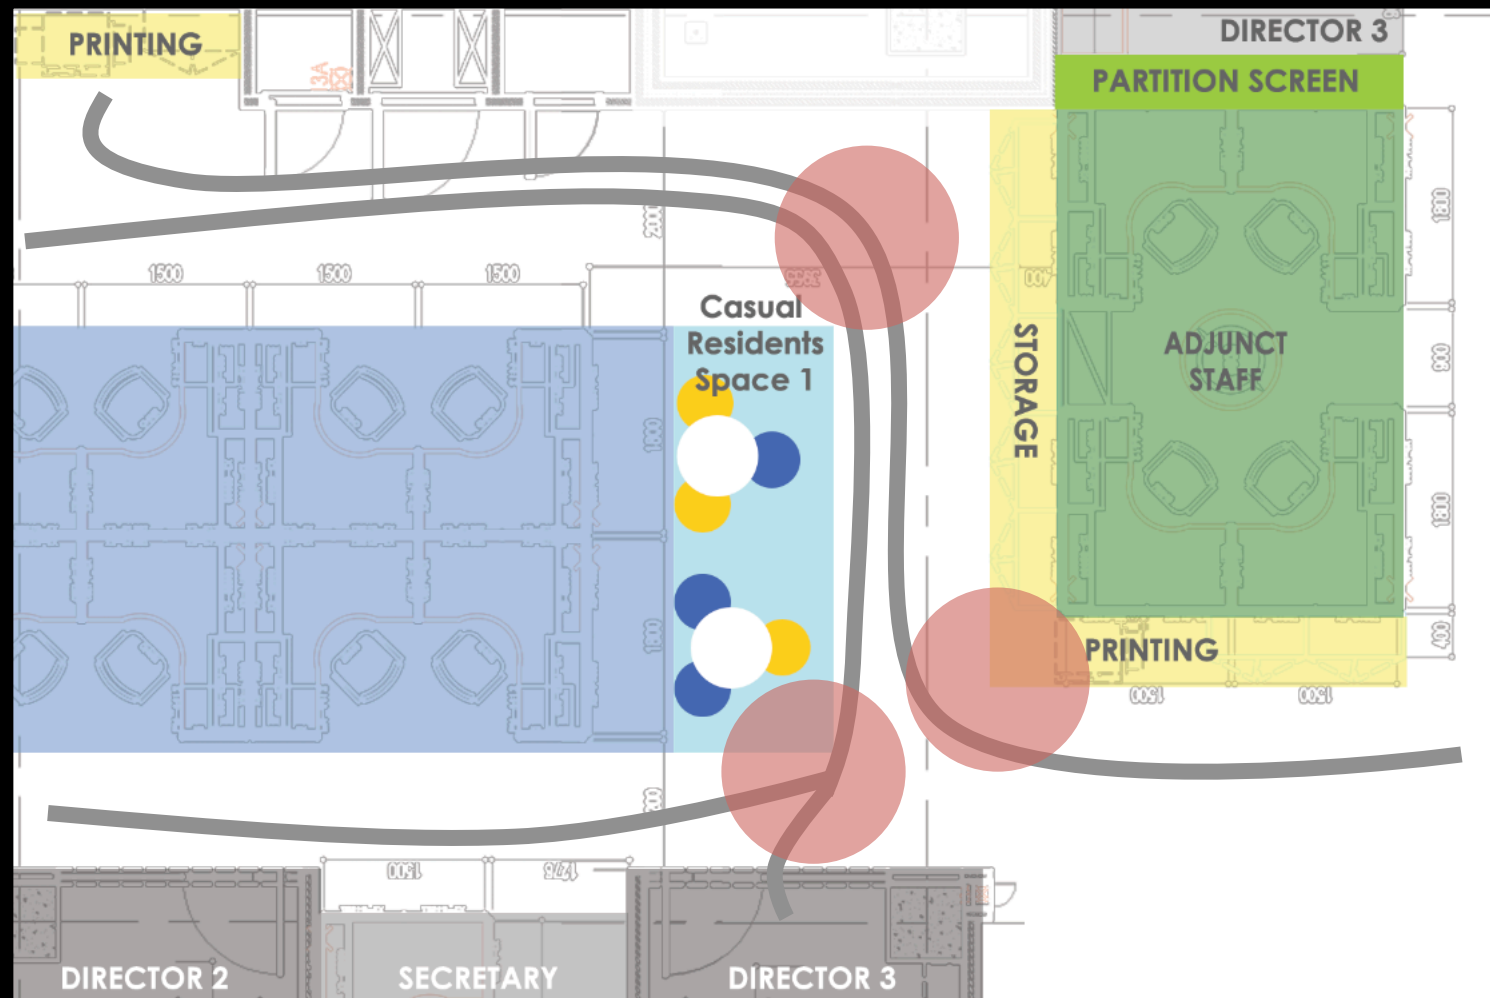

Legend

Human flow in the office

Features

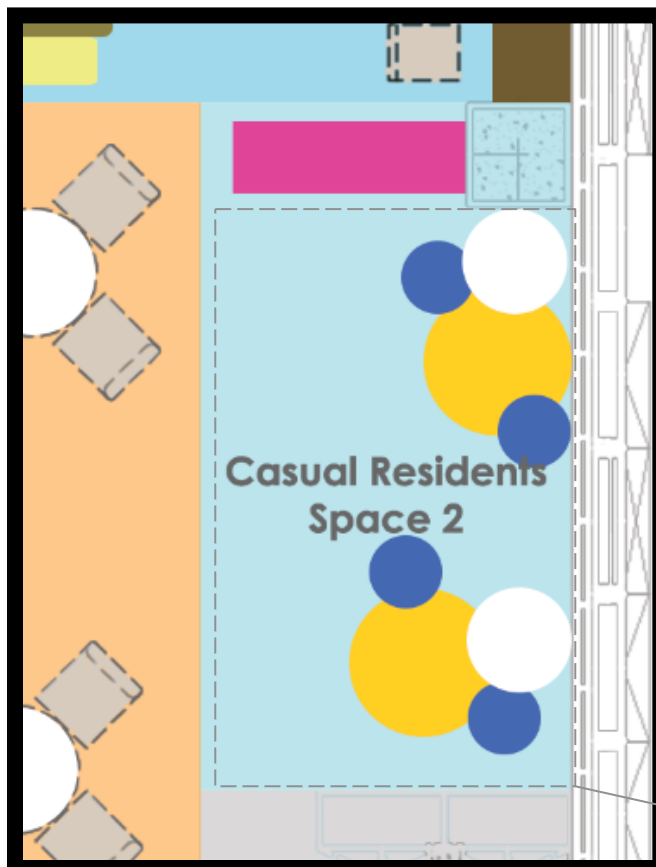

- The spacious walkway in the middle of the office provides an excellent opportunity for staff to network and share ideas easily.
- With printers placed in close proximity, there are also increased opportunities for casual conversation.
- Due to high energy in a walkway, the furniture placed here should support quick, impromptu conversations.

-  Human flow in the office
-  Network opportunity

low stools with side tables placed randomly at the designated space.

Features

Collaboration Space

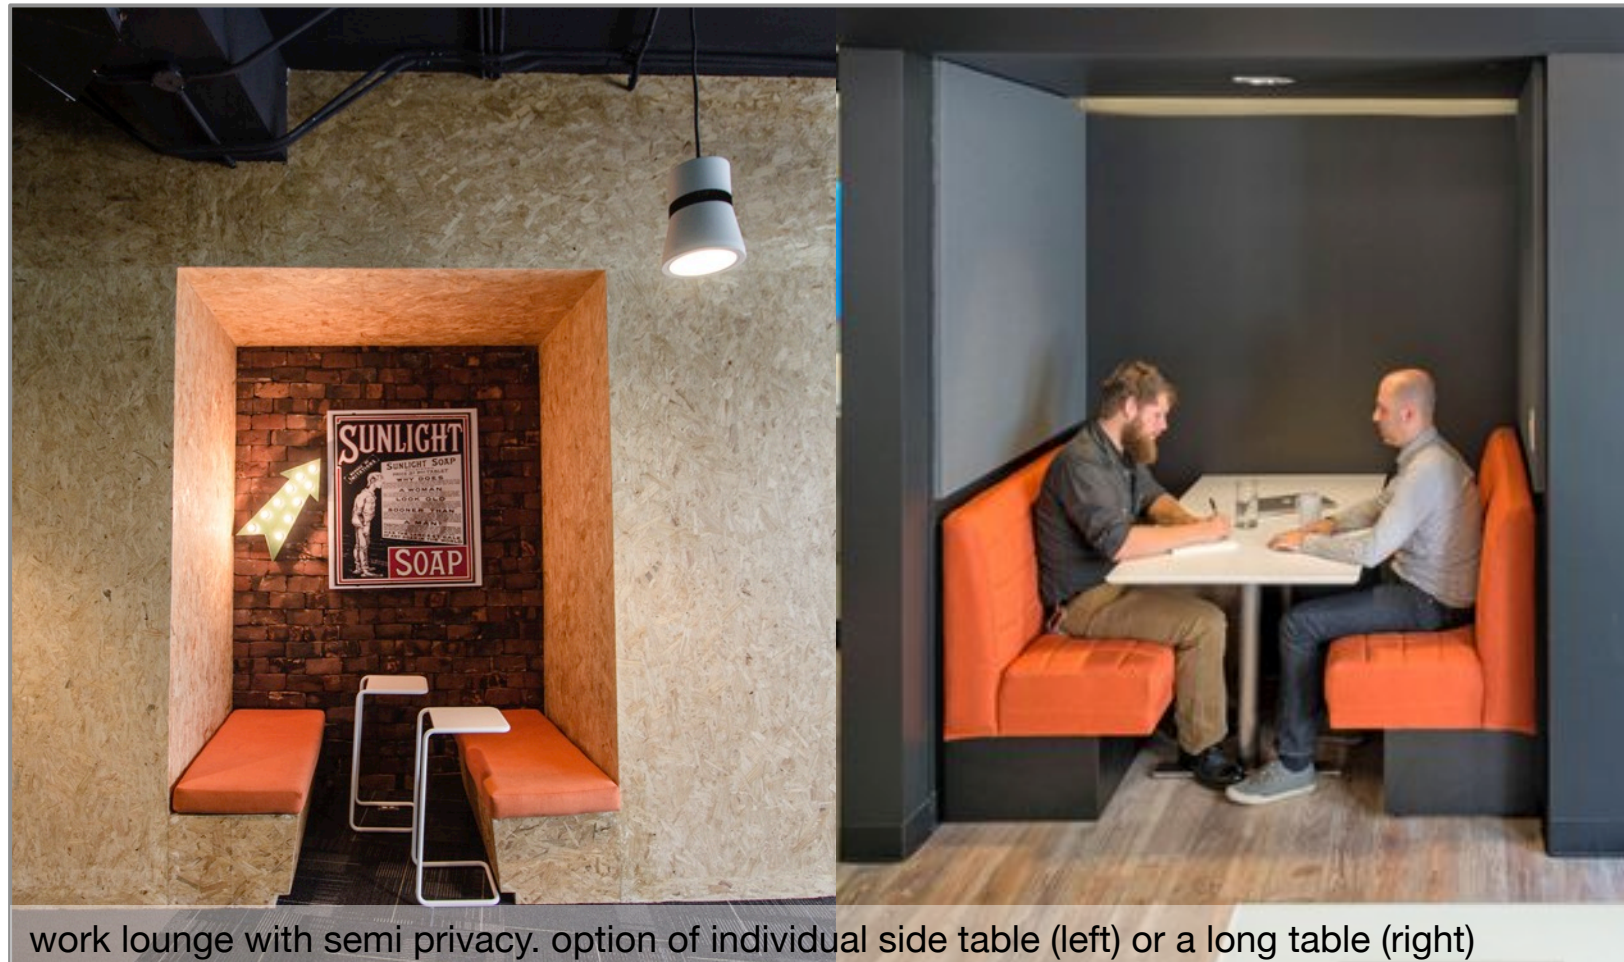

- Collaboration space allows small groups of staff to have discussions for team projects away from their individual desks.
- The furniture here should support facilitate such group discussions.

Collaboration Corner

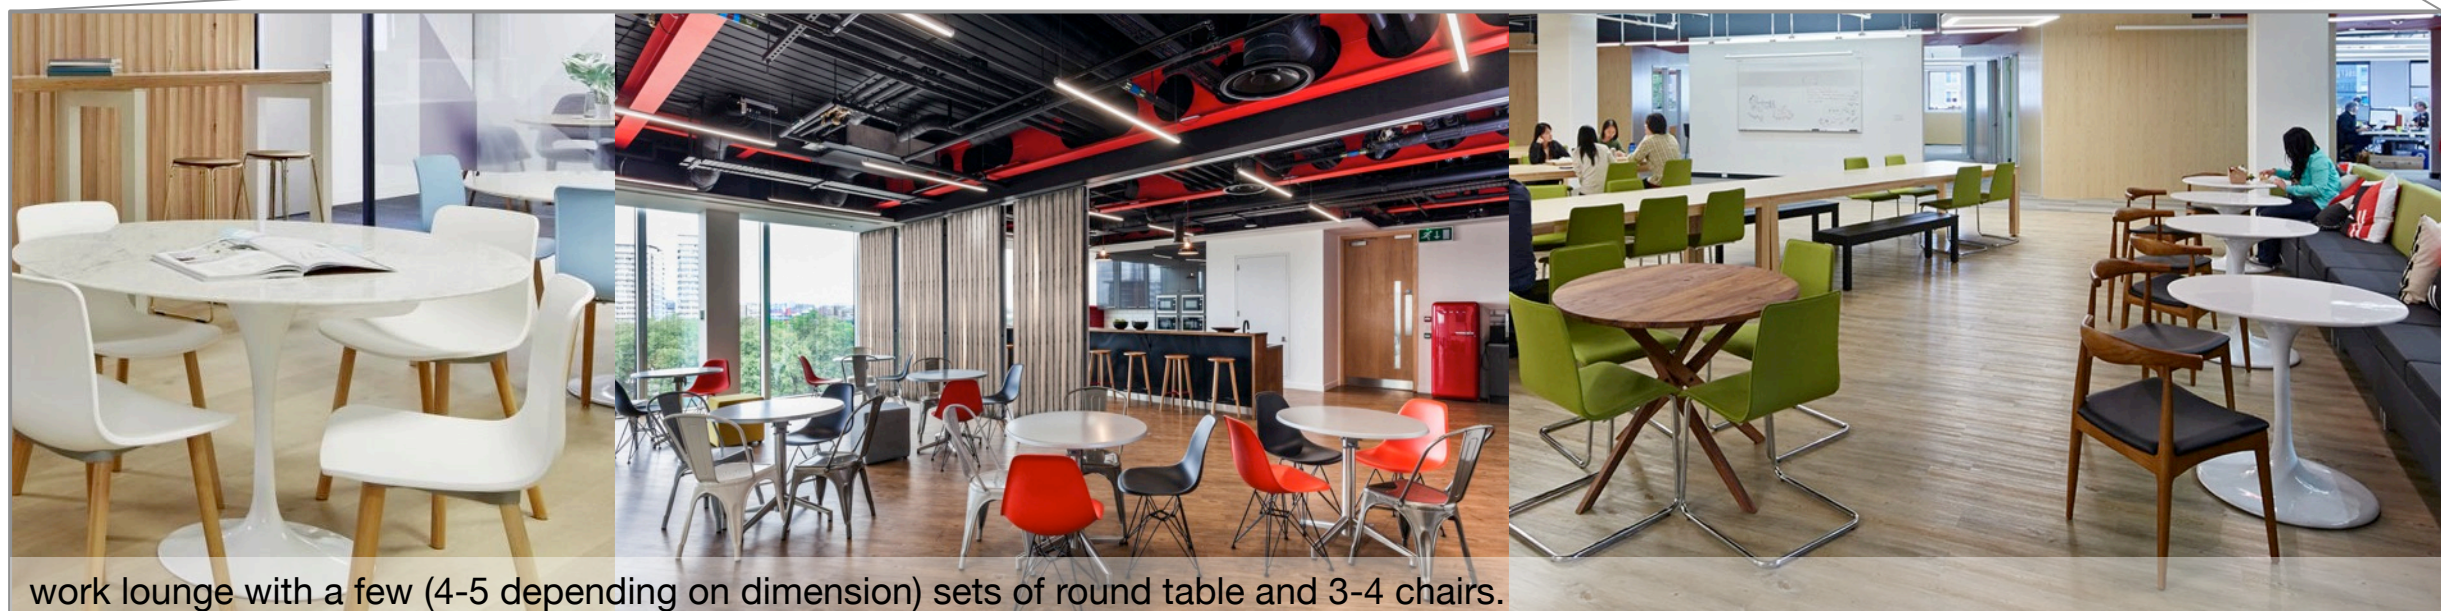

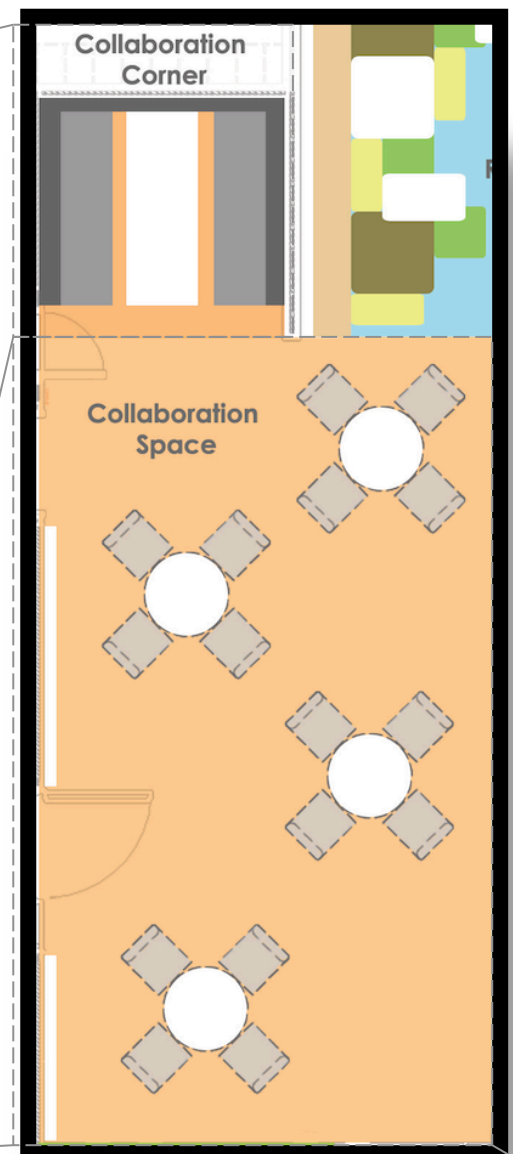

- Collaboration corner provides a semi-private space (an enclave) housed within three walls. This space can facilitate small or large group discussions that may run for a longer time.

Casual Residents Corner

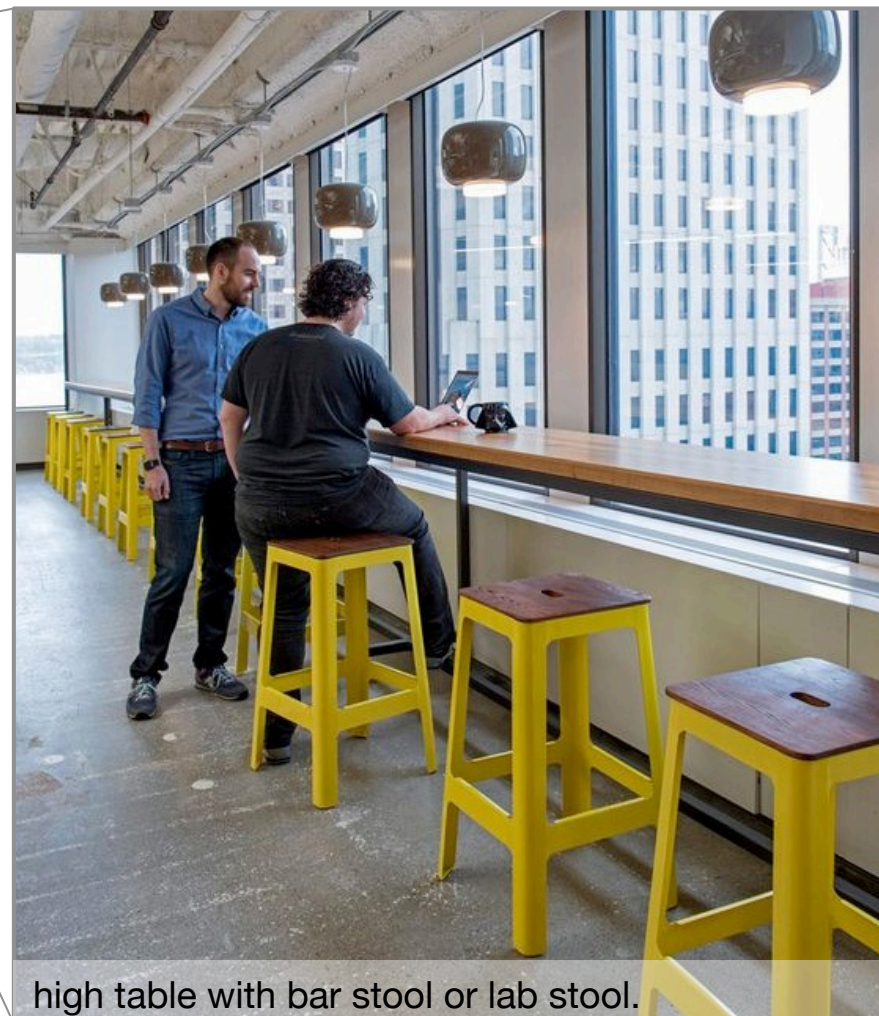

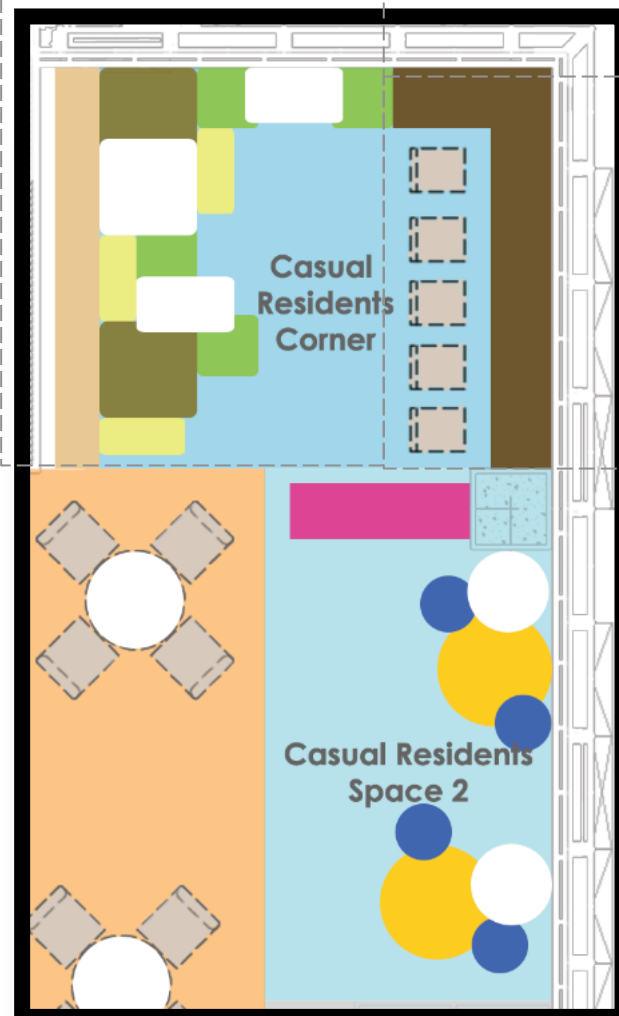

- This space should support creativity and high energy discussions. The colourful stools stimulate users to think and jot down ideas on the long writing board on the wall.
- The other part of this space has a café style high table with a view to the neighbourhood. This high table allow users an alternative space to work on their own.

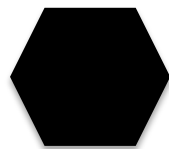

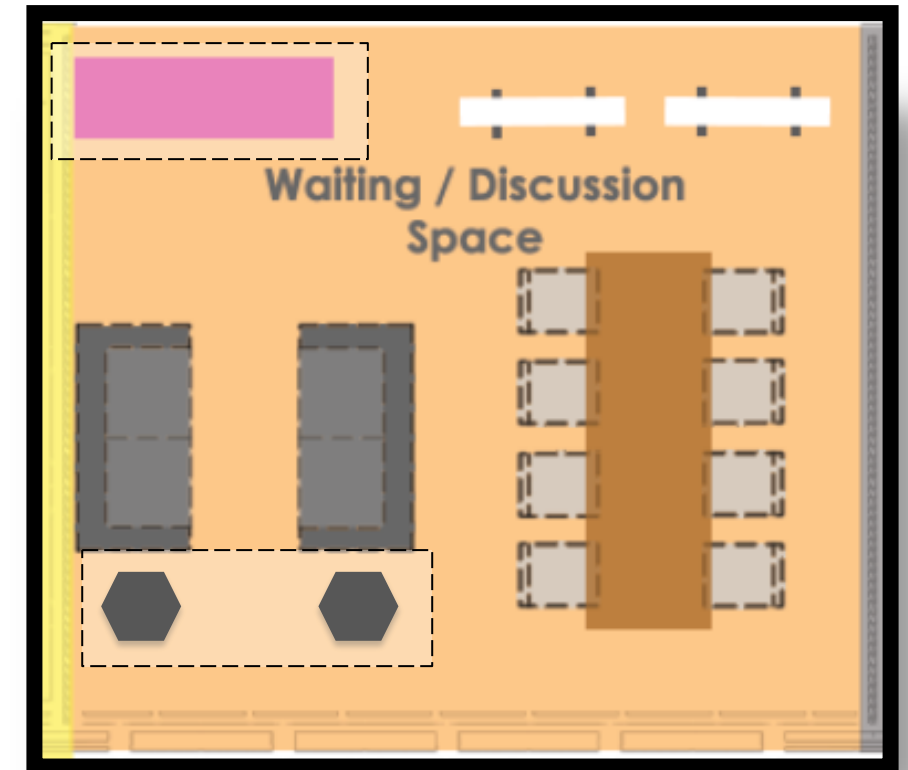

work lounge with semi privacy. option of individual side table (left) or a long table (right)

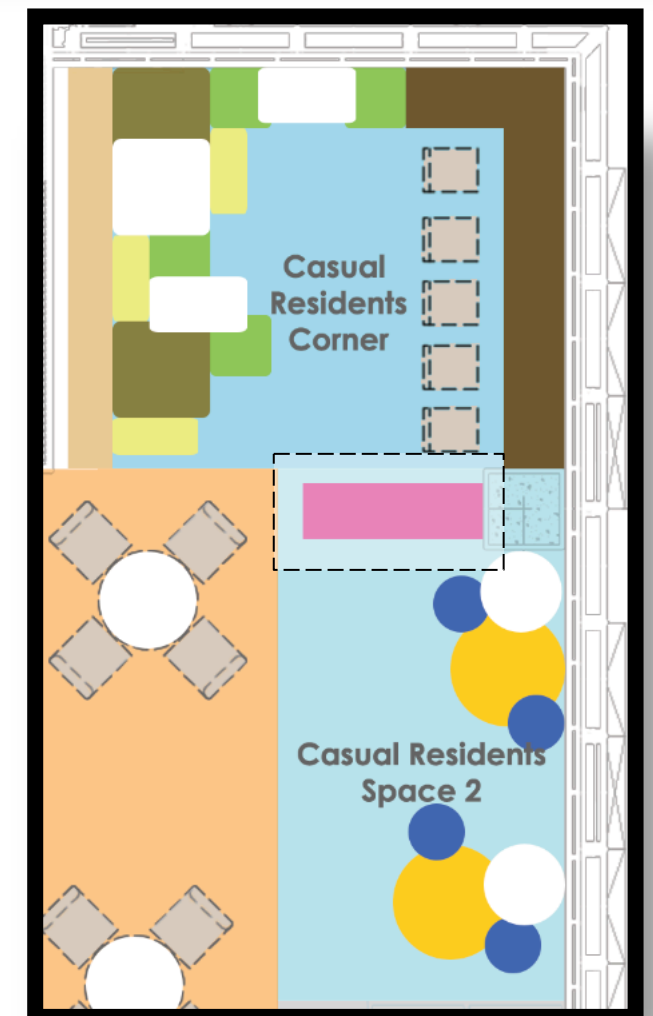

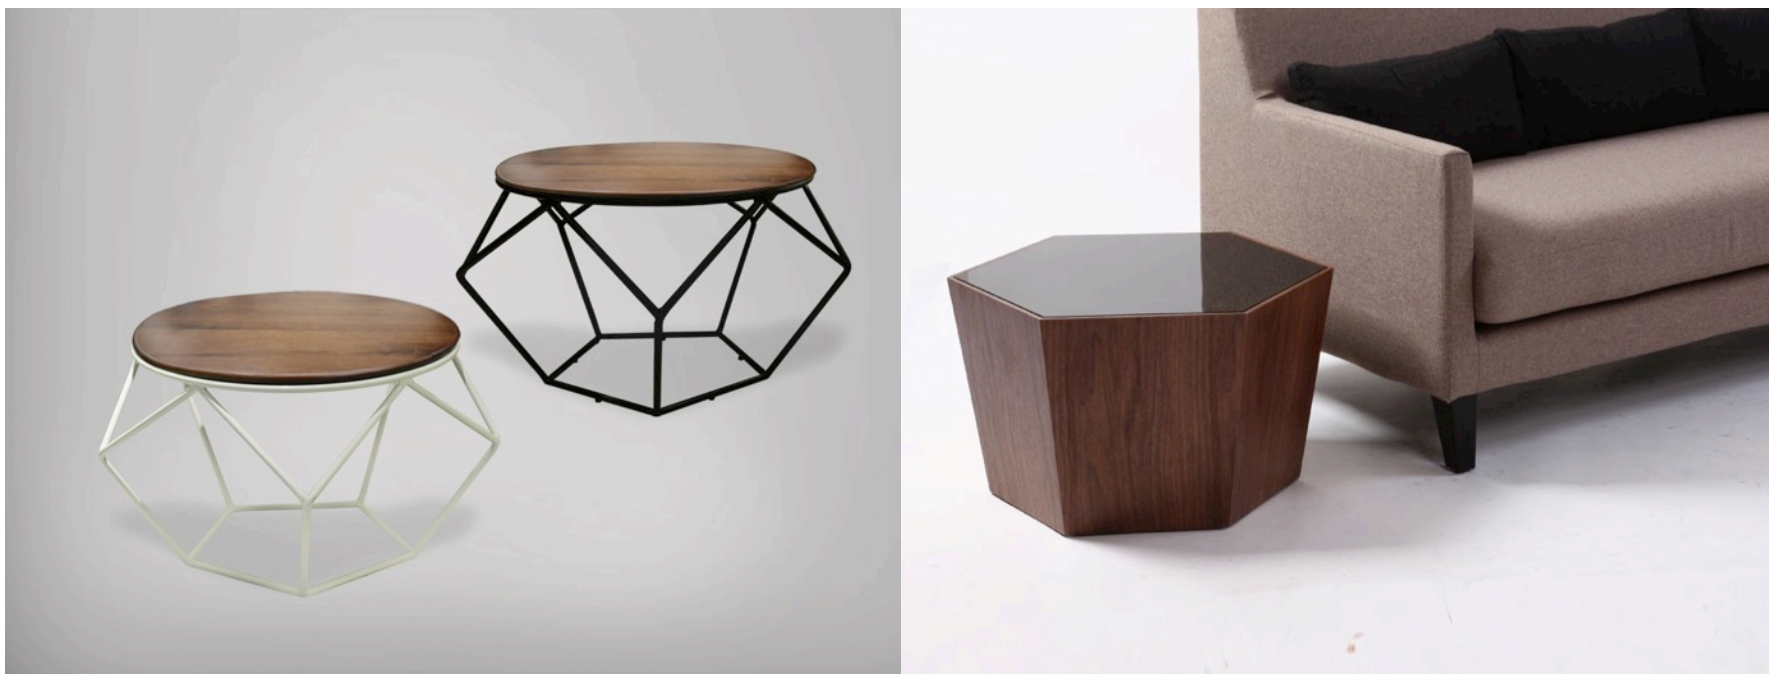

work lounge with a few (4-5 depending on dimension) sets of round table and 3-4 chairs.

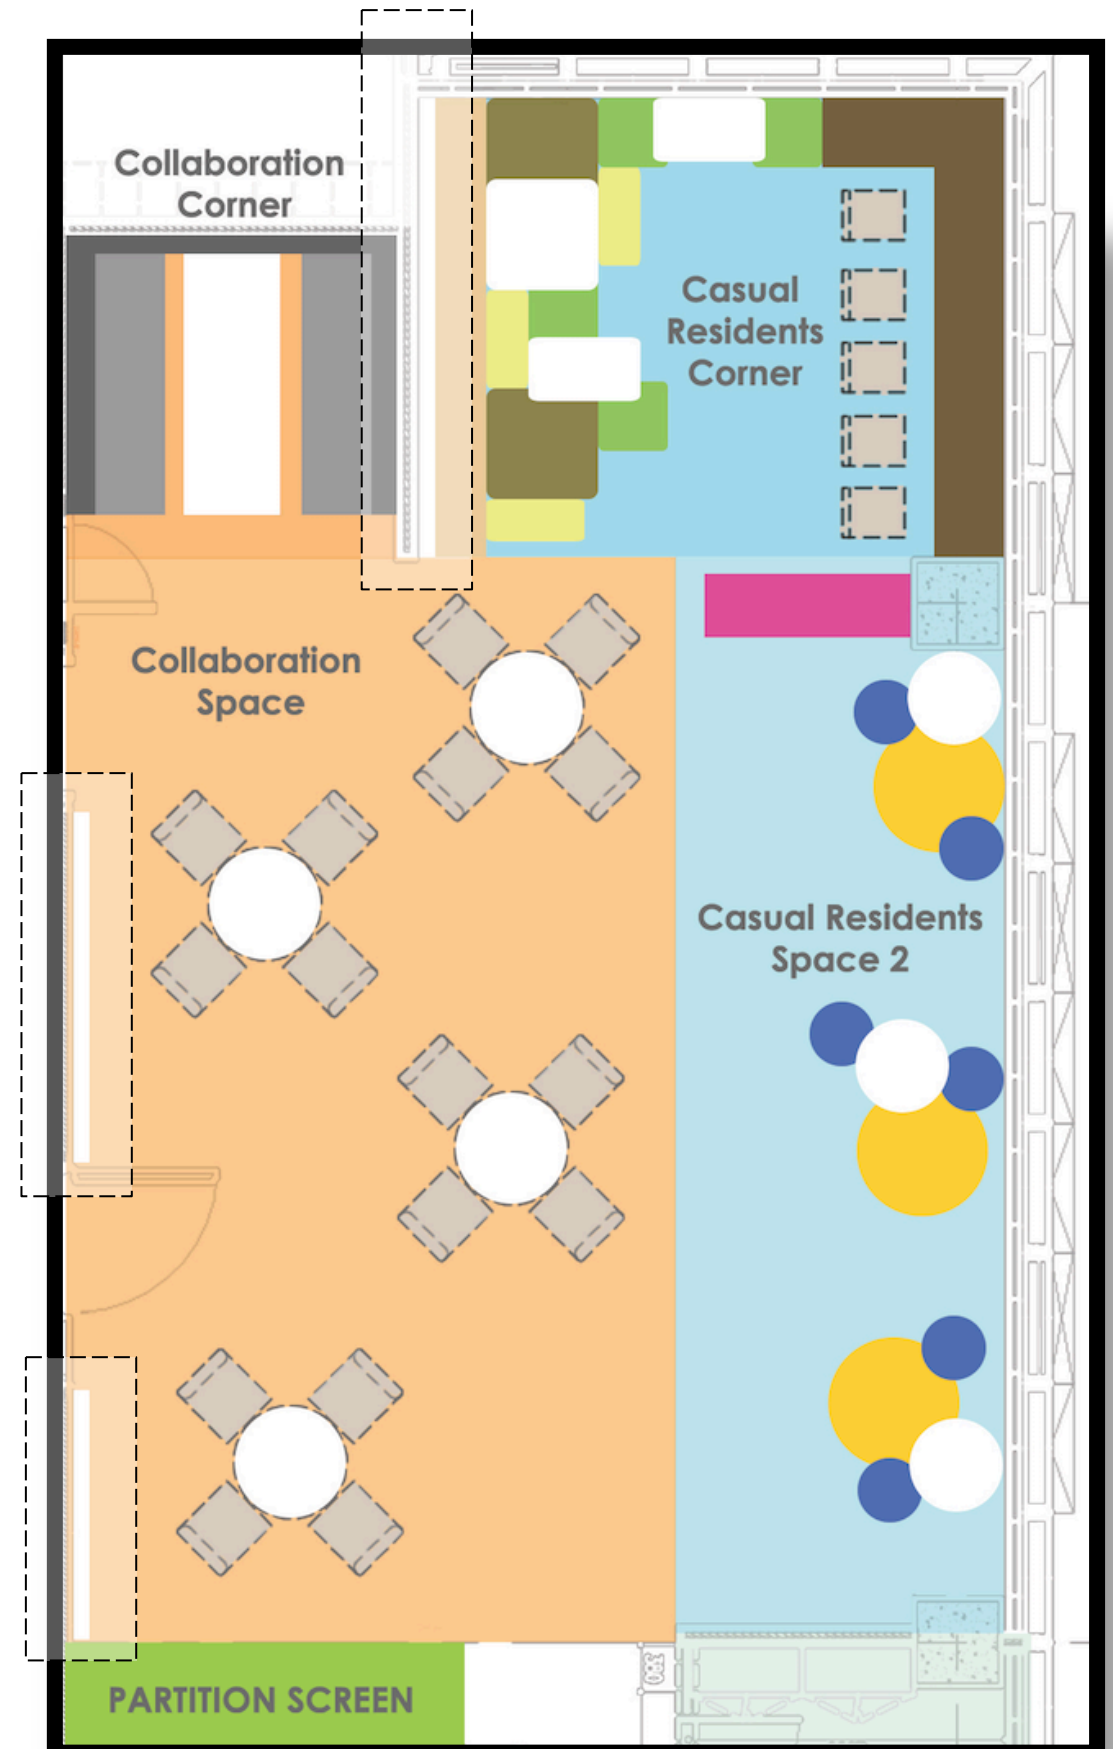

Browsery / Partition Display Shelf

Side table

Full length writing board
